## About the Jackson County Pilot CVC

- The Jackson County Pilot CVC will join Jackson County Public Health's current vaccination site at the Expo, expanding vaccine capacity by an additional 1,000 doses per day of Pfizer vaccine provided directly by the federal government, in addition to the ongoing Jackson County delivery of Moderna vaccine.
- The additional vaccine provided by the federal government will not be taken from Oregon's or Jackson County's regular allotments.
- The Jackson County Pilot CVC will not deliver the Johnson & Johnson (Janssen) vaccine at this time.
- When considering options, the best vaccine is the one that is available to you.
- The Pilot CVC and mobile vaccination units are a joint effort by FEMA, Oregon Health Authority, Oregon Office of Emergency Management, Jackson County Health and Human Services, Jackson County Emergency Management, and Providence Health & Services.
